

*Proceedings of the Madras Government, Revenue Department,
1st May 1873.*

No. 5. Read the following letter from F. LUSHINGTON, Esq., Accountant-General, Madras, to Hon. R. A. DALYELL, Acting Secretary to Government, Revenue Department, dated Fort St. George, 28th March 1873, No. 759:—

With reference to Proceedings of Government dated 11th instant, No. 291, Revenue Department, I have the honour to point out that, in order to comply with the terms of the Government of India letter recorded therein, Mr. Lee-Warner's salary must be raised to Rupees 1,250 a-month, with effect from date of his appointment, as in no other way can the requirements of Section 35, Civil Pension Code, be met.

2. Under that Section an officer, situated as Mr. Lee-Warner is, "retaining four-fifths" of the salary which he receives from his employer "will pay one-fifth to the Government of India;" and four-fifths of Rupees 1,250 are Rs. 1,000, the pay sanctioned to him by this Government.

3. I would further call attention to the provisions of Rule VI. of that same Section, wherein it is stated that "the deduction made under this Section from the salary of a Covenanted Civil Servant includes the deduction on account of Annuity Fund;" whereas the Government of India, in their letter already referred to, say: "this contribution is quite independent of the 4 per cent. payable by a Covenanted Civilian on account of his pension."

4. It seems probable that the instructions of the Government of India were given through oversight of the Secretary of State's despatch, communicated with endorsement dated 6th April 1872, No. 2,510, Financial, under which the Madras Civil Service Fund was placed in the same position as that of Bengal.

tated as Mr. Lee Warner is "retaining
