Secretary to the Board of Revenue
Madras

Sir,

No. 2 Communicated
with the Board's Memo.
No. 32 of 6th January
1873.

I have the honor to reply to
Government Order January 4th, 1873, that
I am not now in want of assistance, as
I am proceeding to Divi, and, after that,
shall myself make the settlement of the
Two Taluqs that were most severely vi-
sited by the floods.

2. I am glad to be able to add to my
letters that the loss of wet crop is confined
to the low-lying Divi Division, and the swampy
parts of Bapatla and Repalli.

3. The bulk of the wet crops is excellent.

4. The dry crops in Bander Taluq, and
generally

generally in the Delta, have been bad,
but the only remission I have yet seen cause
to grant, is one of Rupees 500 for Tallapallam
village: where the dry crops put down failed
one after another. I shall send a se-
parate report on this subject.
