

No. 14. Read the following Proceedings of the Board of Revenue, dated 4th April 1873, Miscellaneous No. 2,046 :—

Read the following letters :—

From W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 16th November 1872, No. 358.

I HAVE the honour to forward herewith three statements of compensation for lands taken up for public works for the past official year 1871-72, as also an abstract of them.

2. It will be seen that acres 120 and cents 8, assessed at Rs. 323-14-1, were taken up, whether Inam or Zemindari land, and that land, measuring acres 149 and cents 71, assessed at Rs. 204-9-6, has to be given in exchange, in lieu of lands assessed at Rs. 136-14-6; levying the difference in the form of quit-rent. Rs. 11-11-5 should be deducted from the peishcush payable by the Zemindar of Kottam; as also Rs. 307-7-6 on account of the assessment of Faslis 1276, 1277, 1278, 1279, 1280, and 1281, which has not been paid to the Zemindar of Kottam,

and the value of land belonging to the proprietor of Chinchinada. Rs. 2,081-15-8 are to be paid for the value of the Inam lands, and Rs. 177-14-6 for the annual assessment of lands temporarily occupied

for pits dug for strengthening the Godavery embankment: these lands have been certified to be unfit for cultivation for three years, and the assessment for the period is considered a reasonable compensation-money. I request that the proposals contained in the foregoing paragraphs may be sanctioned.

3. Some Service Inams of Curnums were taken up. As they have since been enfranchised, or are to be so shortly, ready-money compensation for some of them is proposed.

4. In the village of Kaikaram, in the Ellore Taluq, acres 2 and cents 2 of Inam were taken up for a calingulah, and acres 2 and cents 4 are proposed to be given in exchange. The latter is the excess found in the Inam, a portion of which was taken up.

5. I may observe that, under Board's Proceedings of the 15th September 1871, I do not consider it necessary to obtain the consent of the present occupiers of land proposed to be given in exchange to the assignment of the revenues to the Inamdars and Zemindars.

From the same officer, dated Ellore, 11th February 1873, No. 31.

I HAVE the honour to return the three statements of compensation, which accompanied the Board's official memorandum dated the 16th ultimo, No. 31, having inserted therein the information called for.

5. The Collector has included in the Imperial compensation statement a sum of Rs. 70-4-6, representing six years' assessment of the lands of the Zemindar of Kottam, taken for the excavation of side channels for the repair of the trunk road under the impression that the road was classed as Imperial at the time the land was taken. As the road is, however, now under the charge of the Local Fund Board, this compensation is also sanctioned from Local Funds, and may be met from the maintenance allowance provided for the work in the Cocanada Circle Budget. The Collector should have stated his reasons for fixing the compensation at an amount equal to six years' assessment.

6. The amount to be paid from Imperial funds, which is reduced to Rs. 1,375-4-10, includes money-compensation for certain Service Inams which the Board have allowed, as some of them have already been enfranchised, and others are about to be. The sanction of Government is solicited for the payment of Rs. 1,375-4-10 from Imperial Funds as money-compensation and for the reduction of Kottam Zemindar's peisheush by Rs. 11-11-5.

7. The Collector is requested to note, in his future statements, the dates of the acquisition of the lands, and describe more fully the works for which they have been taken, quoting the number in the budget in the case of Local Fund works.
