

*Proceedings of the Madras Government, Revenue Department,
14th January 1873.*

No. 95. Read the following Proceedings of the Board of Revenue, dated 4th January 1873, No. 6:—

Read again Board's Proceedings, 8th February 1872, No. 282.

Read also the following letter from A. MACGREGOR, Esq., Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 23rd November 1872, No. 265:—

As directed by the Board, in their Proceedings of the 8th February 1872, No. 282, I have the honour to note hereunder, the details of the statistics which were referred to in paragraph 5 of my letter, dated 23rd January last, No. 17.

(1). Sea Customs Returns of the Port of Cannanore.	RS.
Value of Exports and Imports of Foreign Trade in 1871-72 ...	3,00,797
Duty levied on do do for do. ...	7,968
Value of Exports and Imports of British Indian Merchandise for 1871-72 ...	30,16,327
Do. of do. of do. of the Canara Ports for 1871-72 (included in the above) ...	2,53,524
(2). Population of the town of Cannanore ...	31,358
(3). Tolls at the Parambady Ghaut, collected during the year 1871-72 ...	11,100
(4). Tolls farmed out at the Belliapatam Ferry for nine months from July 1872 to March 1873 ...	835

2. The last item is small owing partly to the fact that a great part of the traffic goes at present by water and owing also to the fact that the river at the ferry is so wide that but a small profit accrues to the ferryman.

THESE papers will be submitted to Government with reference to G. O., dated 6th October 1871, No. 1,753.

2. The Board cannot suggest any means at once practicable and economical for determining what traffic would be transferred to the West Coast Canal if it were completed from Cannanore to Mangalore, but they have no doubt but what it would be a useful and remunerative work.
