PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st September 1873.

THE Board find that their Proceedings, dated 6th August 1873, No. 1,512, may possibly be misunderstood. They merely intended to authorize the local officers to put on, at the cost of the salt grant and in anticipation of Government sanction, extra Police Constables, and not to empower the Collector to entertain special guards other than Policemen.
