15th May 1873.*

No. 106. Read the following Endorsement of the Secretary to Government, Military Department, dated Fort St. George, 7th April 1873 :—

Read the following letter from Colonel A. C. STEWART, R.A., Inspector-General of Ordnance and Magazines, to Brigadier-General R. C. STEWART, Adjutant-General, dated Fort St. George, 31st March 1873, No. 5,904.

I HAVE the honour to inform you that I received communication* from the officer commanding 2nd Regiment Light Cavalry, inquiring whether articles can be imported from England, free of duty, for the use of the Saddle Contract Department.

2. This question has arisen in consequence of the authorities of the Bombay Custom-house having refused to pass a case containing articles, valued at £78, of this description on a certificate, from the officer commanding 2nd Regiment Light Cavalry, that they belonged to the Saddle Contract Department of his regiment.

3. This being the first instance of a case of this nature coming under my cognizance, I beg to be favoured with the opinion of His Excellency the Commander-in-Chief on the subject.
