PROCEEDINGS OF THE BOARD OF REVENUE, dated 31st March 1873.

Read the following letter from R. W. BARLOW, Esq., Acting Collector of the Chingleput District, to the Secretary to the Board of Revenue, dated Striperumadur, 5th March 1873, No. 55:—

In reply to the Board's Miscellaneous No. 354 of the 20th January last I have the honour to report that the insufficiency of the stock in hand at Home's Gardens Kottars was due, as stated in paragraph 2 of my letter dated 8th October 1872, No. 412, recorded in the Board's Proceedings of the 21st idem, Miscellaneous No. 7,042, to the supply from the southern pans having fallen short in consequence of the extraordinarily adverse character of the season.

2. Out of 400,000 Indian maunds of salt ordered to be manufactured at Covelong during the last season only 138,636 maunds were produced owing to the cause above stated. Of this 6,000 maunds were stored at Kelambakam for retail sales, 71,522 maunds were retained for export trade at Covelong, and 61,114 maunds were brought to the Home's Gardens depôt.

SUBMITTED for the information of Government with reference to their Under-Secretary's Memorandum, dated 4th January 1873, No. 2. Salt stored for exportation should be utilized when supplies for home use run short.
