Miscellaneous No 7383.

Proceedings of the Board of Revenue
Dated 1st November 1873

Read the following
No 6133.

Audit Department

From The Deputy Accountant
General Madras.

To The Secretary to the Board
of Revenue.

Re your Memo No 1556 dated
8th October 1873.

The undersigned has the
honor to state that the sum
of Rs 22-8-4 therein admitted
by the Board cannot be
passed by this Department
without the Special Sanction
of Government. An
amount

amount once retrenched by
the Board of Revenue should
not be admitted by them
simply on the plea that
the individual to whom
the amount was erroneously
paid, is dead, and that
the amount so paid is
therefore irrecoverable.

Sgt Saint George / Sigd / W. Donald
Accountant / General's Office /
11th October 1873 / Offg Dy Secy to
General

A charge of Rs 22-8-
incurred in the Bellary
District on account of
mileage and hatta drawn by
one Subroya Pillai Hospital
Assistant attached to the
Sub Division was retrenched
in this office on the grounds
(1) that the authority under
which

which the Dresser performed^{+ 2}
the journey was not quoted,
(2) that mileage was drawn
for 2 miles in excess of the
actual distance and
(3) that he drew both the
hatta and mileage for the
same days contrary to rule.
The Collector stated that
the Dresser performed the
journey probably under the
verbal orders of the former
Collector, that both mileage
and hatta were drawn
under the impression that
there was authority for this
course and that the mileage
was drawn for the distance
computed with reference to
the railway fare which
however was not correct.
He further reported that
the Dresser had died, and
that

that therefore no explanation
-tion could be obtained
from him. Under these
circumstances, the Board
admitted the charge. The
Accountant General how-
-ever considers that the
Sanction of Government
is necessary for admitting
this charge, as no money can
once retrieved. Can he
admitted simply on the
ground that the indivi-
-dual who received the
payment died. The Board
request that the sanction
of Government may be
accorded as it is highly
probable that the Dever
performed the journey
under

under the orders of the
Collector, and as the amount
involved is small being
only Rs 1-14-0 and cannot
be now recovered.
