Proceedings of the Madras Government, Revenue Department,

21st May 1873.

No. 158. Read the following Proceedings of the Board of Revenue, dated 12th May 1873, No. 778 :—

Read the following letter from R. K. PUCKLE, Esq., Collector of Tinnevelly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 9th April 1873, No. 189 :—

I HAVE the honour to report on the progress made in the settlement of this district during February 1873.

2. The villages under the Kodagan channel, on the north of the river, were revisited and finally assessed, as per map enclosed. Four of these villages at the head of the channel, viz., Sangantiradu, Melakallur, Kodaganellur, and Palavur, have hitherto formed part of the Ambasamudram Taluq ; but I propose transferring them to Tinnevelly, so as to have the entire irrigation from this channel in one taluq and under one system of management. These villages are, moreover, nearer to Tinnevelly than to Ambasamudram.

3. This channel irrigates 4,200 acres, assessed at Rupees 65,000, and the revision of assessment will hardly affect the revenue.

4. The extra establishment was increased by twenty-seven hands during the month.

ENCLOSURE No. 1.—One Map.

THE progress reported is satisfactory.

2. The transfer of the four villages, named in paragraph 2, from the Ambasamudram Taluq to the Tinnevelly Taluq is approved, and Government will be requested to sanction it.

No. 159. ORDER THEREON, 21st May 1873. No. 517.

Perhaps it would be desirable to tell the Collr. that his proposal to levy the old assessment on the new wet land does not give any compensation for the
