Berhampore
1st April/73

My dear Mr. Ludlestone

I beg to acknowledge the receipt of your telegram dated the 29th March late last night, but being out in camps in Gumsur 50 m. from Berhampore its transmission was delayed.

I beg respectfully to represent the great expense and hardships that this

above will entail upon me
as a married man, and
to state that I have special
reasons for consideration at
the hands of Government.
For a whole year I have been
studying Uriya for the pur-
pose of qualifying myself
efficiently for public service
in Guyana in connection
with the expressed wishes
of Government on the subject.
I am now on the point of
presenting myself for
examination in Uriya

for which I am only awaiting
the further orders of the Com-
mittee now for a long time delay-
ed. If compelled to leave for
Burmah I forego all the result
of my study of Uriya and am
deprived of the chance of
obtaining the pecuniary reward
offered by Government upon
passing the examinations.
I also purpose publishing
a small work on Uriya
which I believe would be
of great service to those
who wished to acquire a
knowledge of that language.
All this I am obliged
to give up if my services

Dreabsolutely required
in Kurnool. I believe that
there are but few men who
would have taken the trouble
that I have done to learn
Urija relying upon the
wishes and promises of
the Madras Government
for due recognition of the
endeavours I have made
to please. It is therefore
particularly hard upon
me if my services are shon
to be transferred to Kurnool
more especially as I have

already been turned
out of the Agency appointment
of Senior Assistant
at Berhampore and
have now again been
passed over with reference to my friend
Mr. Johnson's appointment to Jeypore. Under
these circumstances
therefore I venture

to appeal to Your kind
ness and Sense of
Justice for permission
to be allowed to forego
the proposed promotion
and to remain on here
his Assistant Settle
until Mr Bretbury's
promotion or Removal
elsewhere.
The steamer leaves

for another fortnight
and although I made
straight in from Seremban
of which I am in charge
upon receiving your
telegram it was impossible for me to catch
the last steamer that
left on Sunday for
Madras (the day being
Tuesday).
Hoping that upon
receipt of my letter

You will be good enough
to telegraph your
orders to me I beg
to remain, my dear
Mr. Hudleston
Yours very faithfully
D. L. Maltby
