Conjeveram taluq Madras District.	Wallajah taluq North Arcot District	Damel	63.15	99-13-9	This portion of the village is situated in the midst of villages of Wallajah taluq North Arcot District, by which it is entirely surrounded. It is three miles distant from its parent village and from the boundary of the Conjeveram taluq; it contains no village site. It is cultivated by the ryots of the adjoining villages of Mambakkam and Jaghire Tondalum in Wallajah taluq. Though the Mirasidars, who live in Damel Suttam, object to the proposal it appears to me desirable that it should be transferred to the taluq in which it is situated. Sketch is appended. (signed) R. Sir,

Adverting to the Proceedings of the Board dated 26 August 1869 No 6121 ordering the transfer of 66·75 acres of land to this district from the Conjeveram taluq in the Chingleput district, I have the honor to forward copy of Mr. Barlow's letter No. 858, dated 3rd instant, from which the Board will observe that the correct extent to be transferred is 63·15 and not 66·75 as stated in the Transfer roll published in the above Proceedings.

2. I request that the Board will be pleased to inform me whether the figures

figures now given by Mr. Barlow should be accepted or not. I may mention that only 63·15 acres of land have been transferred to this district, the remaining extent not being available.

3. I am not in a position to explain the cause of this discrepancy. Colonel Priestley will probably be able to do so.

SIR,

Miscellaneous No. 7410.

Referring to Proceedings Board of Revenue of the 7 instant calling on me to explain the discrepancy between the extent of land ordered to be transferred from Damel to North Arcot and that actually transferred, I have the honor to state that 43: 15 acres is the area transferred as ascertained from the Land Register of Damel.

Prs: Board of Revenue No. 1421 of 26 August 1869.

2. When the Transfer Roll was originally submitted, the area 66·75 was erroneously given by the village officials and passed by the Revenue authorities of the Chingleput District, as the Consent of the Collector to

to the transfer was obtained previous to the submission of the proposal to the Board of Revenue for their sanction.

Sir,

Miscellaneous No. 8435.

In obedience to the order contained in Proceedings Board of Revenue of the 19 ultimo, I have the honor to submit a revised roll of lands ordered to be transferred from Damel to the Wallajah taluq North Arcot District.

2. As the transfer has already been accepted by the Collectors of Chingleput and North Arcot districts, I have (to avoid delay) not thought it necessary to

to obtain their approval of the revised roll.

Submitted to Government with a draft notification for publication in the Fort Saint George Gazette.

In 1869 the Board inadvertently sanctioned* the transfer of Acres 63.75 belonging to the village of Domel in the Conjeveram taluq of the (then) Madras district to the Wallajah taluq of the North Arcot district. The reason assigned for the transfer was that the land was three miles distant from Domel, and was entirely surrounded by villages of the North Arcot district. When the Collector of North Arcot recently pointed out that the correct area of the land in question is only Acres 63.15, it was
