Dated 8.8.1873	196 .	

Not to be folded or roughly handled

Proceedings of the Madras Govern... Public Works Department,
1st August 1873.

No. 5. Read the following endorsement of the Acting Secretary to Government, Revenue Department, dated Ootacamund, 17th July 1873 :—

Read the following Proceedings of the Board of Revenue, dated 4th July 1873, Miscellaneous No. 4,118.

Read the following Statement from the Collector of Bellary :—

Statement of Compensation proposed to be granted for Ryotwary land taken up for public purposes.

Taluq and Village.	Land taken up.				Amount of compensation proposed.
	Description.	Extent.	Assessment.	Estimated value calculated from sales of similar land in the neighbourhood.	
Raidroog Taluq.			Rs. A. P.	Rs. A. P.	Rs. A. P.
Yerradakerra	Wet, No. 64.	0 25	1 1 0	10 0 0	6 12 0

Remarks.—The land was taken up by the Public Works Department in 1871 for the purpose of taking earth therefrom to strengthen the Yerradakerra tank bund without paying compensation to its owner, Akula Basaya.

The Puttadar has again taken possession of the land and levelled half of it at a cost of Rupees 3. It would require Rupees 3 Annas 12 to level the remaining half. It is therefore proposed to give to the Puttadar a compensation of Rupees 6-12-0, which is far less than the estimated value of the field.

Bellary,
19*th June* 1873.

(Signed) J. H. MASTER,
Collector.

Submitted for the sanction of Government.

(True Extract.)

(Signed) J. GROSE,
Secretary.

Transferred to the Public Works Department.

(Signed) R. A. DALYELL,
Acting Secretary to Government.

No. 6. Order thereon, 1st August 1873, No. 1,928.

ACCOUNT, No. 1.

Communicated to the District Engineer, Bellary, who will pay the amount, Rupees 6-12-0, of the compensation required to the Collector from the funds at his disposal for Agricultural Repairs.

2. When any considerable amount may have to be paid for compensation for land required in connection with the carrying out of repair estimates of irrigation works, provision should be specially made for this purpose in those estimates; when the amount is trifling, it should be charged to the contingencies of the estimates.

Proceedings of the Madras Government, Public Works Department,
1st August 1873.

3. District Engineers will be careful that no charges on account of land compensation, in connection with the repair of irrigation works, are unnecessarily incurred, and they will satisfy themselves of the necessity in each case.

4. The sanction of Government will not be required for the disbursement of compensation charges of this kind.

(True Extract.)

John Hudleston

Lieut.-Colonel, R.E.,
Joint Secretary to Government.

To the District Engineer, Bellary.
To all other District Engineers.
To the Revenue Department.
