No. 203. Read the following Proceedings of the Board of Revenue, dated 1st May 1873, No. 697 :—

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 4th April 1873, No. 47 :—

I HAVE the honour to forward to the Board a skeleton map (to be returned) of the district and to request their attention to the boundary between Bhowany and Collegal Taluqs.

2. Having made a recent tour in that direction and seen the nature of the communications, country, and (absence of) villages I would request the sanction of Government to make the main Burgoor stream the west and north boundary of Bhowany.

3. Both Revenue and Police Inspectors of Collegal can much more easily reach the villages north of Naducavul, Martally, and the like than the Inspectors of Bhowany.

4. A glance at the map is sufficient to explain the propriety of the change, which actual inspection brought forcibly to my attention. The country in question is little visited, but is more likely to be from Collegal than ever from Bhowany.

5 The Superintendent of Police, Captain Balmer, who accompanied [illegible] concurs in this view. To wait till the Revenue Survey undertake a profitless task of demarcating hill and jungle will be to postpone an improvement too long overlooked and of considerable importance to good administration.

THE Board approve of the proposed alteration in the boundary between the Bhowany and Collegal Taluqs and resolve to recommend Government to sanction it.

No. 204. ORDER THEREON, 28th May 1873, No. 540.

Miscellaneous.

SANCTIONED. A Notification in the requisite form should be submitted.
