No. 217 Read the following letter from Captain T. H. GODFREY, to the Hon. R. A. DALYELL, Acting Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 27th May 1873 :—

I HAD the honour of an interview with you in regard to certain objections made by the Survey Officers to removing the demarcation stones erected by them to define a tract of 600 cawnies of land as the total amount of my holding at Yellamullee on the decision of the Revenue Survey. Mr. Ouchterlony has now seized on the whole of my land, with the exception of the 600 cawnies said to be demarcated. The Magistracy refuse me any sort of protection against the acts of Mr. Ouchterlony, not taking notice of the Proceedings of the Civil Court or of the Proceedings of Government enforcing them, copies in print of which were laid before the Magistracy. I am not in a pecuniary position to go to law with Mr. Ouchterlony, and trust that Government will insist on the immediate removal of every stone put down with the unlawful purpose of confining me to 600 cawnies of land within my boundaries.
