Revenue Department
Miscellaneous No. 3925. 55

Proceedings of the Board of Revenue
Dated 26th June 1853.

Read the following:—
No. 2/51.

From

J. R. Daniel Esquire
Acting Collector

To

J. Grose Esquire
Secretary to the Board of Revenue
Fort Saint George.

Sir,

On the receipt of G. O. dated 15th January last No. 52, the following appointments were made on the 24th February last by Mr. Melville the then Acting Collector.—

G. Puttahi Ram Vernacular clerk on Rs. 30 to be temporary Head Clerk on Rs. 40 under the Assistant Collector Mr. Willock.

T. Janakiramiah Vernacular Accountant on Rs. 15 - d^o - 2nd Clerk on Rs. 20 - d^o - and the posts of these individuals were filled up as shewn in the enclosure A.

2.

The Accountant General disallowed the

the pay of these clerks on the ground that they are entitled to Acting allowance at 20 per cent in the pay of the Acting appointment in which they act. On the representation of the Acting Collector that the object of G.O. is to secure efficient hands to whom the whole pay should pass the objection was removed (See Statement B accompanying).

3. On the 15th Instant Mr Willock having taken charge of the Senior Assistant Collector's office, the above two temporary appointments ceased, and the incumbents reverted to their original appointments.

4. Now the Accountant General in his objection Statement on the Buzur Permanent Establishment bill for March last has ordered to recover the pay for February and March of the Vernacular Clerk on R^y 20 in the Permanent Establishment on the following grounds:-

"Disallowed under G.O. N^o 52 dated 15th January 1873. It is observed that in the above order a temporary Establishment consisting of two Clerks 1 on R^y 40 - - - and 1 on R^y 20 - - - is authorized to every passed Assistant Collector in lieu of one on R^y 20 permanently employed. The pay of the above 2 Clerks will be admitted by this office on being drawn included

"included in the Land Revenue Contingent bill - The amount should be recovered on next like bill."

5. The Acting Collector under the authority of Government Order January 15th 1873 N^o 52, appointed two clerks from the Permanent Establishment to the temporary Establishment on R^y 40 and 20, and filled up their places by new candidates; but from the Government Order N^o 360 dated March 25th 1873, it seems that Government only intended to sanction one extra Clerk on R^y 40 - - - The Accountant General has disallowed the pay of the permanent clerk on the Buzur Establishment; this man was never transferred to the temporary Establishment, he has been doing his work as before, and it is obviously unjust that he should be deprived of his pay.

The temporary appointment of R^y 20 was filled up by a Clerk drawing R^y 15 on the permanent Establishment; this is the appointment which appears to be in excess of the sanction, but if this be disallowed, this clerk would lose R^y 5 and the Clerk acting for him would lose R^y 15.

These appointments were made on February

February 24th and therefore retrenchment should
be made from that date and not for the whole
month

If this Rs. 20 appointment is in excess of the
number sanctioned by Government, I would,
however, request the special sanction of Govern-
ment for the pay of this temporary appointment
as it was made under what was believed to be
the sanction of Government.

The Accountant-General says that the
pay of both the Rs. 40 and Rs. 20 Clerks should
be debited to temporary Establishment, but the
Rs. 20 is on the permanent Establishment and
is transferred to the Assistant Collector only
when required. I think that the Rs. 40 Clerk
alone ought to be entered on the temporary
Establishment. I would request the instructions
of Government on this point.

Vizagapatam
29th May 1853

I have &c
Signed, J. R. Daniel
Sd. Collector.

Submitted for the orders of Government
with the Board's recommendation that the pay of
the Clerk on Rs. 20 per month erroneously
retained in the Collector's permanent establish-
ment be sanctioned from 24th February
last

last upto the date of his discharge.

2. The Collector is referred to Govern-
ment order dated 25th March 1853 No. 360, from
which he will observe that the two temporary
clerks one on Rs. 40 and one on Rs. 20 sanctioned
are in lieu of one permanent Clerk hitherto
employed on the salary of Rs. 20. The Clerk
on Rs. 20 now borne on his permanent Estab-
lishment should therefore be forthwith
discharged. He should however be re-em-
ployed at the earliest opportunity
