*Proceedings of the Madras Government, Military Department,
30th May 1873.*

*Furlough and Leave,
Staff Officers.*

Read the following papers :—

No. 403. From Colonel B. E. BACON, Officiating Secretary to the Government of India, Military Department, to the Adjutant General; dated Fort William, 16th May 1873, No. 598.

With reference to your office memorandum No. 1165-A, "Leave," dated the 28th March 1873, in the case of Lieutenant-Colonel A. R. Bayly, Staff Corps, Executive Engineer, Department Public Works, I am directed to state for the information of the Right Honorable the Commander-in-Chief, that as that officer has already proceeded on leave on sick certificate, as appears from the fact of his applying for leave from the 22nd December last, the Government of India will not in his case insist on his appearing before a Standing Medical Committee, as prescribed in paragraph 19, page 336, of the Military Regulations; the grant of furlough in India to Lieutenant-Colonel Bayly will be therefore notified in General Orders.

2. As regards the enquiry contained in the concluding portion of paragraph 1

* Pending of course any alteration that may be ordered, with reference to Military Department letter No. 1075, dated 17th March 1873.

of the memorandum under reply, I am to state that all applications for "furlough" in or out of India on private affairs should, as heretofore, come to

the Military Department, through the Adjutant General; but as applications from officers embarking at Calcutta on furlough on medical certificate come direct to this office from the Brigadier-General Commanding the Presidency District, it has been decided that applications for furlough in India on medical certificate from officers not under the Commander-in-Chief's orders, should be forwarded direct to this department from the Officer Commanding the station at which the Standing Medical Committee meets to consider the applicant's case.

3. The officer should in each case appear before the nearest convenient Standing Medical Committee, and this course would be equally appropriate in the case of an officer in civil employ obtaining from the Military Department an extension of leave obtained under the provisions of G. G. O. No. 613 of 1871, which would then become furlough on medical certificate.

4. The local Governments and administrations will be instructed accordingly.

No. 611.

Copy of the above forwarded to the Secretary to Government, Fort Saint George, Military Department, for the information of the Right Honorable the Governor in Council.

(By order.)

Offg. Secy. to the Govt. of India.
