Proceedings of the Madras Government, Judicial Department,

30th July 1873.

No. 151. Read the following letter from Lieutenant-Colonel W. S. DREVER, Acting Inspector-General of Police, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 22nd July 1873, No. 2322:—

With reference to G.O., No. 937, of 13th June 1873, calling for report on Police Guards over Treasuries, &c., I have the honour to submit the following remarks.

2. On the organization of the force, Mr. W. Robinson's estimate (in 1862) of the men required for these services was as marginally noted for each Hoozoor and Taluq Treasury in every district.

For Hoozoor.

One Head Constable.
One Deputy Constable.
Thirteen Constables.

For Taluq Treasury.

One Deputy Constable.
Seven Constables.

3. This appears to have been afterwards altered to one Deputy and six Constables for Taluq Treasuries, and provision is still made in the yearly

budget for this number, amounting to 1419 men, at a cost of Rupees 1,62,029. Owing to the general reductions and various other changes which have since been carried out from time to time this allotment has not been everywhere adhered to, these guards in some districts having also been reduced, and the men employed on other general duty.

4. This has been corrected, and the sanctioned establishment, which is ample, will be restricted to its legitimate work.

Head Constable 1
Constables 6.

5. A note in the monthly return for each district of the number actually

employed as Treasury Guards and escorts will prevent similar error hereafter.

No. 152. ORDER THEREON, 30th July 1873, No. 1188.

As the Inspector-General considers that the sanctioned establishment of Police for Treasury Guards is ample for the purpose if restricted to its special duties, and has taken steps to ensure this, no further action in the matter seems necessary.
