Proceedings of the Madras Government, Revenue Department,
18th June 1873.

No. 125. Read the following Proceedings of the Board of Revenue, dated 10th June 1873, Miscellaneous No. 3,523:—

Read the following letter from H. S. THOMAS, Esq., Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, Madras, dated Mangalore, 15th May 1873, No. 686.

In forwarding for the sanction of the Board of Revenue the accompanying estimate,* amounting to Rs. 1,730, for the construction of a Sea Customs-house at Kumbla, I have the honour to state that the existing building is in a very dilapidated condition, and requires early renewal.

* With plan and specification.

2. The District Engineer was requested to see if the roof of the building (which is most in disrepair) could alone be repaired or renewed without the necessity for the other portions of the building being reconstructed; but that officer states that the walls are not likely to bear any heavy weight, and that it would not be expedient to incur any outlay on the repair of the roof.

3. The necessity for the thorough reconstruction of the building was not, however, anticipated when the Provincial Budget of Public Works was under preparation, and I am, therefore, compelled to ask the Board to provide an allotment while sanctioning the work.

Submitted to Government, with the request that the required amount may be provided out of Provincial Funds.
