My dear Dalyell

My term at Stokes' place is up on the 15th July, and Grose wishes to take six weeks privilege leave early in August; my permanent appointment as head of a Settlement party is one w. it would not be desirable to take up for the short interval

interval if it is
intended that I should
stay on here when Grose
takes leave. Settlement
is complicated business
& a change of hands for so
short a time would not be
favorable to the progress of
the Salem & Coimbatore
party. I have offered
to organize the Party S. is
to settle Sanjam and am
ready to go there but Priestley
is not quite ready for us, and

and will be glad of a
respite till October when I
understand he can give me
maps & records for at least
one Taluk. I have spoken
to the members of the Board
& they will be glad if I can
be ordered to do duty in the
Board's Office for the
interval of three weeks or
so from Stokes' return, and
advise me to make a request
according. Of course I
make this request after comm[unicating]

It would be a thousand pities to move Clogstaun for that brief period & as he is clearing Salem matters satisfactorily; and by the time Grace returns Gaujem will no doubt be available for Goodrich to undertake in accordance with Govt Procedo dated 16 May 1892.

Johnny has returned looking beaming, and well, but alas looking certainly no younger -
