Proceedings of the Madras Government, Revenue Department,
18th January 1873.

No. 140. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 8th January 1873, No. 62-1 :—

In obedience to the call contained in G. O. of the 29th November 1872, No. 1,627, I have the honour to submit the statements as per margin, and to append explanation with reference to the increase in the issue of certain articles :—

Abstract of Receipts and Expenditure in Form B.
Abstract of Receipts and Issues of each of five years in Form C.
Statement of Balances at the end of each of five years.

I.—Two additional detachments were organized during 1871-72.

II.—For the preservation of maps cloth has been more extensively employed than was at first necessary.

III.—Since 1870-71 plates have largely been substituted for lithographic stones.

IV.—The increased expenditure in 1871-72 is owing to no issues having been made either during 1870-71 or the five years preceding 1871-72.

V.—Lithographic pens were issued much in excess during 1871-72 to replace the unserviceable ones.

2. The items under which a decrease is to be observed are of two kinds :—

I.—Items of which the number on hand at the close of the official year 1870-71 were in serviceable condition, and of which therefore no large issue was necessary.

II.—Items which are supplied annually, and therefore not issued unless actually applied for.

3. As has already been represented I beg to state, with reference to paragraph 9 of the order of the Supreme Government, that no inconvenience has been caused by unnecessary delay in the supply of stores, nor has any marked difference in the price of the more important articles been noted.

No. 1,267 of 21st July 1871.
