Proceedings of the Madras Government, Financial Department,
22nd September 1873.

No. 137. Read the following letter from H. SEWELL, Esq., Acting Collector of Cuddapah, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Cuddapah, 15th September 1873, No. 25 :—

I have the honour, at the request of the Municipal Commissioners, to submit a sketch map showing the piece of ground required for the construction of a school opened in the town of Cuddapah on the 1st of this month. The building now rented out for the school is not sufficiently large as it can only accommodate seventy boys whereas the number of present attendance is 105, which will soon be increased.

2. The site now selected for the construction of the school is situated between the bastion and the Post Office, measuring 850 square yards, and is well suited for the purpose. It has been in the possession of the Municipal Commissioners, with the permission of the Collector, for the last three years, and is used as a cart-stand for jutka bandies, &c. An expenditure of Rupees 80 also was lately incurred by the Municipal Commissioners for putting the same in proper order.

3. I request that the sanction of Government may be obtained to make over the said land to the Municipal Commissioners for the erection of the school in question.

The assignment of the site in question to the Municipal Commissioners for the public purpose stated is sanctioned.
