

*Proceedings of the Madras Government, Revenue Department,
9th July 1873.*

No. 79. Read the following Proceedings of the Board of Revenue, dated 14th June 1873, No. 1,006:—

Read the following letter from W. D. HORSLEY, Esq., Collector of Cuddapah, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Kuttigulla, 9th May 1873, No. 58:—

I HAVE the honour to refer you to Proceedings of the Government dated October 15, 1866, No. 2,812, Revenue Department, communicated in Board's Proceedings dated October 20, 1866, No. 7,578.

2. A piece of ground in the village of Muddanur was granted, rent free, to Mr. E. W. Barnett, Railway Contractor, to enable him to erect a choultry for the use of Native passengers travelling by rail. The building was commenced, but was not completed. When Mr. Barnett left the country, he sold what had been erected to one Armuga Mudelliar who has removed all that there was of the building, except the foundations. The land was made over free of assessment so long as the building continued to be used as a chuttrum. Armuga Mudelliar has evidently no intention of fulfilling this condition. I therefore request permission to make it over to the former puttadar on the terms on which it was previously held by him, or to dispose of it on durkhast, should the puttadar not require it.

3. Muddanur is not now a suitable place for a chuttrum: the railway passes the place, and there is only one road, and that is not completed, which connects the village with localities in the neighbourhood.

SUBMITTED to Government, with reference to G. O. dated 15th October 1866, No. 2,812.

2. The Board think the Collector's proposal should be adopted.

No. 80. ORDER THEREON, 9th July 1873, No. 709.

Miscellaneous.

THE land should clearly be no longer exempted from assessment, but Armuga Moodelliar's possession should not be disturbed. If he fails to pay the assessment, the land should be sold for arrears; if he formally relinquishes the land, it can be dealt with as proposed by the Acting Collector.
