From

The Collector of Salem.

To

The Secretary to the Board of Revenue
Madras.

Sir,

I have the honor to request the Board will be pleased to obtain the sanction of Government to allow the General duty Deputy collector stationed at Sammakal to rent for his private residence the building known as his cutcherry.

2. Until a year ago, the European Deputy collectors stationed at Sammakal occupied the building known as the Dispensary. When the Local Land Board came into existence, a dispensary was at once opened at Sammakal in the building already built by public subscription for the purpose, and the Deputy collector was in consequence obliged to leave it. As

As a temporary arrangement, I allowed the Deputy Collector Mr. Pritchard to occupy the cutcherry building, and to use a part of the Travellers' Bungalow for his cutcherry.

In this arrangement, the Local Board (who have now taken over all the public bungalows in the district) object. Indeed, the arrangement that I made in allowing Mr. Pritchard to use a part of this Bungalow for his cutcherry was intended as a temporary measure, and cannot, without inconvenience, be allowed to continue for any lengthened period.

3. There is no house available at Annakal which an European Deputy Collector can rent, and the only alternative which presents itself, is to give up the building which was originally constructed for the Deputy Collector's cutcherry for his dwelling house, and to convert the present Taluk cutcherry, which will be shortly vacated, into a Deputy Collector's office.

The

4. The existing cutcherry building of the Deputy Collector is, as the Board will see from the enclosed rough sketch, better adapted for a dwelling house than for a cutcherry, while the present taluk cutcherry is spacious, centrally situated and in every way better fitted for the office of a Deputy Collector and Magistrate than the present small building. The new taluk cutcherry will, I understand, be completed by the end of the current official year, when the present cutcherry will be vacated.

5. If the Board approve of the suggestion I have made, and which under all circumstances is the best that can be made, I would recommend that the Deputy Collector be charged a monthly rent of Rs 15 for the building, leaving him to make his own arrangement for providing himself with the required out

out houses &c.
