10th July 1873.

No. 100. Read the following Proceedings of the Board of Revenue, dated 4th July 1873, No. 1,195:—

THE Board have the honour to submit for the information of Government a Statement of the existing stocks of salt in the several Salt-producing districts. These returns have been received within the last fortnight by telegraph: they show that in two districts South Arcot and Tanjore the stocks of salt are very low and at Merkanum in the former district the Collector reports that no salt remains and the manufacture is closed.

2. Under these circumstances the Board have despatched a notification to be published in the next issue of the *Fort Saint George Gazette* to the effect that sales of salt for export will cease from the 15th instant at Cheyur, Covelong, Madras, Ennore and Kistnapatam. They will take measures promptly to supply the pressing wants of South Arcot and Tanjore by importation if necessary.
