PROCEEDINGS OF THE BOARD OF REVENUE.

Dated 8th April 1873.

Read the following

N^o 583.
From G. Vans Agnew Esq^r
Collector of Madras.
To J. Grose Esq^r
Secretary to the Board of Revenue
Madras.
SIR,

The Government in their Order dated 6th January 1871 N^o 25, sanctioned 5 acres of land as the Vetti Inam in the village of Pellivai in the Attamkur Taluk.

2. The land was treated as wet, and so much of the assessment thereof as was in excess of the annual value of the original Inam rendered unprofitable, was charged as grant rent, as detailed below:-

	P. a. p.
With assessment of the fresh grant	28 - 14 - 6
— of the original extent	22 - 3 - 1
Excess charged as Jodi	6 - 11 - 5

3. From the Attamkur Tahsildar's
Order N^o $\frac{273}{2740}$ dated 29 November 1872
it

it appears that the fresh Inam sanctioned is unfit for wet cultivation. It was originally entered as irrigable under the old Peltum channel, which being in ruins, all the lands under it have since been adjusted to the head "dry" in the Settlement Department. The tahsildar recommends that the quit rent may be excused.

The assessment of the land at dry rates is given at Papees 12-2 and is therefore less than the annual value of the original grant. Probably the Vetti cannot find other lands so as to make up the deficiency, and I have the honor to recommend that the quit rent charged may be struck off.

Bellare Collectors Office
14th March 1873

I have &c.
Signed / G. Vano Agnew.
Collector.

The Collector's request for the remission of the Quit rent of Rs. 6. 11. 5 on the fresh grant of land sanctioned by Government in their order dated 6th January 1871 N^o 25, in lieu of a Vetti Inam rendered

rendered unprofitable from causes beyond the Inamdar's control in the village of Peltum. A statement is submitted for the approval of Government.

The difference between the value of the Inam lost and the Assessment at the dry rate of the land allowed in exchange being as large as Rs. 10. 1. 1, the collector is requested to let the Inamdar know that he is at liberty to make up the deficiency by applying for more lands, if he can point it out.

I am, Sir, your obedient servant,

J. Grose
Secretary.

The Secretary to Government.
