To

G. D. Leman Esquire
Ag. Collector, Kistna Dt.

Sir,

I have the honor to state that —
Jalakanti Venareddi and 4 others of Veludurra
in the Palanad Talug have applied for permission
to form a charitable Tank in 4 acres of land
assessable at Rs 3 in the unsurveyed and un-
-assessed field, Kaman N^o 826, of ac: 36 assess-
-able at Rs 27-0-0. The Tahsildar reports that
the land applied for is in the jungle close to Hills
at a distance of 2 miles from the village. No
water being available within a radius of one mile
from the site, the tank will be of much use
to the grazing cattle about the place and to the
men

men who may go to the Hills for firewood &c.
 As on the Veludurti side of the Talug, people
 and cattle suffer from want of water near
 at hand in the hot weather, a tank, if newly
 "ruined in that direction" will not be redundant
 and I therefore beg you will be good enough to
 obtain sanction for transferring the extent of 4 acres
 applied for to "Land reserved for public purposes"
 and for permitting the applicants to form a

tank therein.
