No 1503 for order

This case is not precisely similar to that quoted in the Bd's Acct Genl's endmt. In that case, as well as in two recent ones in Salem & North Arcot, the Head Asst or Asst, being at Head Quarters, had to make charge of the District, pending the arrival at Head

Quarters of the second
Officer in the District
whose duty it was to
take charge of the
District in the Coll.
departure. In these
cases no deputation
allowance has been
allowed to the Asst
or Ad. Asst.

In the case now
submitted however, the next
senior Officer of the
District, the Principal

Asst Collector assumed
charge from Mr. Melville
the Coll., on his departure
on leave, and retained
charge until an Officer
of another District was
appointed to act as
Collector.

Perhaps a rule might
be prescribed regulating
charge to be taken in
such cases, on the under-
standing that if no
appointed Officer arrived
within ten days, acting

allowances will be
sanctioned, but not
otherwise —
