Proceedings of the Madras Government, Financial Department,
8th February 1873.

No. 56. Read the following Proceedings of the Government of India in the Financial Department, dated Fort William, 25th January 1873, No. 438:—

Expenditure—Stores.

Read the following despatch from the Secretary of State for India, to the Government of India, dated 21st November 1872, No. 493:—

I have considered in Council your Financial letter, No. 355, dated 26th September 1872, forwarding an estimate of instruments and stores which will be required for the Revenue Survey Department in Madras in the year 1873-74

2. A specimen of one of the articles demanded accompanies the estimate, which gives rise to the supposition that the Superintendent of the Revenue Survey at Madras intended the document in question to serve both as estimate and requisition; but it should be distinctly understood that no steps whatever will be taken to supply these stores until an indent for them shall have been received.

3. I request that you will give instructions that no samples of articles shall in future be forwarded with the estimates, which are documents connected with matters of account only.

Ordered that a copy of the foregoing despatch be forwarded to the Department of Agriculture, Revenue, and Commerce, and the Government of Madras, for information.
