MISCELLANEOUS No. 572. 79/1 REVENUE DEPARTMENT.

PROCEEDINGS OF THE BOARD OF REVENUE

Dated 31st January 1873.

No. 19. Read the following

From,

The Honorable V. Ramiengar C.S.I
Superintendent of Stamps.

To,

J. Grose Esqre
Secretary to the
Board of Revenue.

Sir,

In Government Order 24th June last No. 978, sanction was accorded for the retention up to the 31st December last, of the temporary establishment specified in the margin. From the 1st of this month, I have dispensed with the services of

the Clerk on	30	Rupees
the Counter	15	"
the Peon	7	"
and 1 Pressman	7	"
	59	

and thus reduces the strength of the remaining establishment to,

1 Clerk on	35	Rupees
1 Accountant	30	"
1 Counting Clerk	21	"
1 Pressman	7	"
	93	

These

Accountant	"	30
Counting Clerk	"	21
Counter	"	15
Pressman at 1 each	"	14

these four men I find it absolutely necessary to retain for the present.

2. The clerk on 35 Rupees and the Overman on 7 Rupees are fully employed under the Assistant in attending to the numerous applications which are now daily received for "denoting" Stamps, under the Resolution of the Government of India dated 14th March 1871, No. 1510, and may have to be eventually brought on the permanent establishment, but the number of hands that ultimately required for the efficient performance of the work of the Office can be determined only after the introduction of the further important change which is pending, namely the substitution of Blue and Black Stamps manufactured in England for those now prepared in this country. As regards the Accountant and Counting Clerk, although a sufficient supply of Court Fees Adhesive Stamps has been received, and the manufacture of Impressed Judicial Stamps has ceased, still there are very large quantities of the latter in stock both in this Office and in the Districts, and considerable time must elapse before they

they are entirely superseded by the new Adhesive Labels. While therefore the issues and sales, though not the manufacture, of Judicial Impressed Stamps continue, the work of the Accountant department will also continue to be heavy, and requires the retention of the temporary Accountant and Counting Clerk. For these reasons I request that the authority of Government may be obtained for the continuance of the reduced Establishment above specified, at a monthly cost of Rupees 93, during the current year or up to the 31st December 1873.
