Proceedings of the Board of Revenue, dated 31st March 1841.

2. The Board are glad to learn that the Treasury and Accounts Departments of Assam are in excellent order. The Collector will draw the attention of the Deputy Collector to the few points on which improvements are suggested by Mr. Donald.

(Signed J. Grose

Acting Secretary.

Extract from a letter from Mr. W. Donald
Officiating Assistant Accountant General dated
20th February 1841.

5 I found every account Register excellently kept, and in proper form. It was evident that pains had been taken that all instructions issued by you should be understood and carried out. The Deputy Collector, when not quite certain on any point

refers to this Office, and is supplied
with the necessary information, forms
of returns &c. This partly accounts for
the admirable manner in which the work
of his department is conducted, and it
would be well if other Treasury Officers
followed his example.

This is another very creditable

carefully done and that Kinnaird, contrasted
most favorably with other districts, as

Result Statement for December 1872 dated
22nd January 1873 N^o 1774.

This is the second consecutive
month in which there has not been a
single error in the Treasury Accounts
or in the Vouchers submitted in support
thereof and it is highly creditable to the Treasury
Officer that his accounts and vouchers are
perfectly in order.

No. 59 Kurnool Collector's Office
22nd February 1873.

From J. A. N. Chase Esquire
Collector & Magistrate
of Kurnool.

To
The Chief Secretary
to Government
Fort Saint George

Sir,

As I am about
to leave the District, I feel it
my duty to bring to the notice
of Government the high
opinion I entertain
regarding the Deputy Collector
employed under me.

1. Arcot Ramachandra Rao,
Deputy Collector on General
duties, has the two important
Talukhs of Tandial & Chinval,
through both of which the
Madras Irrigation Canal

sum. Both as Deputy Collector and Magistrate he has conducted his duties very satisfactorily, and is a very active and energetic man. He has also had charge of the onerous duty of giving over land to the Madras Irrigation Company and has earned the esteem of the Officers of the Company.

2. Boddi Venappa, Deputy Collector & Magistrate on General duties, has charge of the two large Taluks of Hoilacunda, and Pattikonda. He is a very judicious, steady man, and has invariably carried out his work as Dy Collector & Magistrate very well indeed. He is very much respected by all the people over whom he

has authority. He has been valuable to the Director of Revenue Settlement in introducing the new Revenue Settlement in the Pattikonda Taluk.

3. Karahari Gopal Krishna Chetty, Deputy Collector in charge of the Treasury. I have found him always a very hard working, clever, and industrious man, thoroughly honest, and straight forward. He is a good Magistrate, and a first rate Revenue Officer. He is also a first rate Accountant. He has earned remarkably good opinions from the Accountant General, copies of some of which I forward, and appear
