THE Government are of opinion
that the advantages to be derived from
the establishment of a Training School

for Forest Subordinates either at Nellambur or Ootacamund would not be commensurate with the difficulty and expense attending such a measure.

2. The Deputy-Conservators, in charge of the various ranges, will be expected to pay particular attention to the instruction of subordinates newly joining the department.

3. This decision of the Government in this matter will be reported to the Secretary of State, with reference to the remarks contained in paragraph 5 of the Despatch, dated 25th February 1869, No. 2.
