I have granted Rewards as a special case, plus the reward. And explain that, as a rule, the reward covers all expences

This will I presume be in addition to the usual reward, which will be paid by the Coll.

I think the Rs 500 - covers each thing. We seem to have no rebate of the destruction of the 2 & the thing is bent & his both sides -

I sanction Rs 800 as the reward in this case, as he undertook a dangerous duty at night & in effect, the reward will cover all expenses
