From July 1871 to October 1872, being one year and 4 months, at 10 Rs.	RS. 160	The payment was withheld in consequence of the payee's absence from the station. He was allowed by Mr. Chase, when Acting Collector, to draw his pension once in every five months, as he used to reside sometimes at Madras and sometimes at Nellore; he was not able on this occasion to appear and claim payment within six months. He was detained, as he explained, at Madras, owing to the illness of his wife, who has lately died. He has been examined by the Deputy-Collector in charge of the Treasury, who found that his appearance corresponded with his Descriptive Roll. His present age is 38 years. Sanction is therefore requested for the payment of arrears of Rupees 160 for one year and four months. This statement is submitted, revised with reference to Board's Proceedings alluded to in the above case.
