Total	1,95,000	1,86,000	12,00,000

2. From the Budget, herewith circulated to the department, it will be seen that preferences which were in progress in 1872-73, or on which work had been done in previous years. A few other works which are desirable to put in hand, and which have not been included. District Engineers will expect to be able to submit estimates which are awaited, and of revised estimates which will be submitted to the Governor in Council will expect every effort to be made for the proper utilization of the grants provided in the Budget.

3. The Reserve as shown above intimates that incomplete works will be kept apart, and should any balance be available for estimates for which have been duly sanctioned. District Engineers will be careful to use some of the money they may propose for execution from the Reserve.

4. The grant for Police Buildings, which in former years, been entered in lump sum, but not yet been passed with reference to the 7th October 1872, will be carried out under the present Budget.

5. A grant of Rupees 10,000 for the improvement of Kadipatam has been entered, pending the sanction of the Government.

The grant from Provincial Funds for expenditure on Public Works has been fixed by this Government at 12 lakhs, and follows :—

For the information and guidance of the Government, it has been given to incomplete works on which a large outlay had been incurred, but not yet commenced, which it seems to be required, and His Excellency will be required to be made for the proper utilization of the grants provided in the Budget.

Rupees 63,840. It will be distinctly understood that the first claim on the amount thus set apart will only be granted for works, the estimates of which have been submitted. As the Reserve is small, District Engineers will be careful to use some of the money they may propose for execution from the Reserve.

As, in accordance with the practice of the Government, no works, for which estimates have not yet been passed with reference to the 7th October 1872, will be carried out under the present Budget.

of the Light-houses at Cape Comorin a reference which will be made to the Government.
