THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

Miscellaneous.

SIR,—This Government, in their letter, No. 908, dated 10th June 1872, brought to the notice of the Government

of India that measures had for some time been in progress in this Presidency for commuting cash-payments to pagodas, etc., into assignments of land-revenue. In many districts such assignments had been effected before the introduction of the Local Funds Act, and, as this enactment imposed upon the assignees the payment of a portion of the land-cess, it became necessary to make to them further assignments equivalent in value to this burden, so that the value of the commuted cash-payments might be fully maintained.

2. I am now directed to transmit the marginally noted Proceedings, from which it will be seen that the allotment of these additional assignments is

attended with many difficulties at present very troublesome and likely to recur with all their complications on the occurrence of every fresh burden imposed on income from land.

3. I am, therefore, to state that, in the opinion of this Government, it is desirable that the permission to stay the commutation of the cash-payments, accorded in your letter, No. 2,820, dated 16th September 1872, should be extended, so as to admit of the assignments of land being resumed and a return being made to the old system of cash-payments in all cases where this course may be preferred by the assignees.

I have the honour to be,
Sir,

Your most obedient servant,

(Signed) R. A. DALYELL,
Offg. Chief Secretary.
