*Proceedings of the Madras Government, Financial Department,
5th March 1873.*

No. 43. Read the following letter from the President of the Municipal Commission, Coimbatore, to the Chief Secretary to Government, Fort St. George, dated Coimbatore, 20th December 1872, No. 19 :—

As directed in paragraph 4 of the Proceedings of Government, dated 24th October 1871, No. 1646, I have the honour to forward, herewith, the Budget Estimate of the Coimbatore Municipality for the next official year 1873-74.

2. The only notable variations between this budget and that for 1872-73 are in the house-tax, tolls, fees, and dispensary receipts in the receipts and in the allotments for New Works, Repairs, and Results' Grants in the expenditure.

3. The present house-tax was imposed so far back as 1866 and requires revision, as the value of house property has risen since 1866, and will doubtless result in an increase of at least Rupees 1,500.

4. By the extension of the railway to Coimbatore much of the traffic from Pothanore and Matoopolliem is likely to be affected, and consequently a reduction of twenty-five per cent. has been made in the income from tolls.

5. The difference in the fees is owing to the late Order of Government declining to sanction a higher rate of fees than 20 Rupees. The difference in the dispensary receipts is owing to the municipal contribution towards that institution being excluded from I-5 with reference to Order of Government, dated 1st May 1872.

6. A sum of Rupees 2,200 has been allotted for New Works against Rupees 3,100 for 1872-73. The town is now pretty well provided with latrines, so only two more are estimated for. The new slaughter-house was a non-recurrent charge of Rupees 1,391-4-10.

7. Rupees 2,345 have been allotted for Repairs against Rupees 3,500 in 1872-73, as there is not much requiring repair, and the cessation of through railway traffic on the Pothanore Road will much lighten the expense of repair.

8. The sum of Rupees 1,000 has been provided for Results' Grants with reference to the actual expenditure during the past and current years, and appears sufficient.

No. 44. ORDER THEREON, 5th March 1873, No. 303.
