Proceedings of the Madras Government, Revenue Department,
14 *August* 1873.

No. 99. Read the following Proceedings of the Board of Revenue, dated 30th July 1873, Miscellaneous No. 4,782:—

Read the following letter from Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chepauk, 12th July 1873, No. 1,625-81.

I HAVE the honour to forward a recommendation roll, proposing the transfer of the village of Nagalapuram from the Bellary to Adoni Taluq, Bellary District.

2. The grounds for the transfer, as will be seen from the roll, are that the village is surrounded by those of the Adoni Taluq, and, if transferred to the taluq, the river Huggri will form the natural boundary between the two taluqs. In addition to the above, the villagers raise no objection to the proposal.

3. The Collector of the district is not in favour of the transfer, and urges among other objections the following reasons:—

(1.) "The boundaries of the taluqs were re-arranged only some thirteen years ago, and it does not appear advisable to disturb them again, except for very cogent reasons.

(2.) "If this village is transferred, some seven other villages should also be transferred when the Alur Taluq comes to be surveyed.

(3.) "Great confusion would result in regard to past accounts."

4. If the Board of Revenue consider that having a natural boundary for the taluq is desirable, I have the honour to request that sanction may be obtained for the transfer proposed. I may add that the village in question is the only one not belonging to Adoni on this side of the river.

SUBMITTED for the orders of Government.

2. The Superintendent of the Revenue Survey proposes the transfer of Nagalapur, the only village of the Bellary Taluq on the eastern bank of the Huggri river, to the Adoni Taluq.

3. The Collector takes exception to the detachment of Nagalapur from the Bellary Taluq, chiefly on the following grounds, namely:—

(1.) That the present arrangement is well adapted for administrative purposes, the village being situated at a distance of only five miles from Sirguppa, the head-quarters of the Sub-Magistrate and Deputy-Tahsildar who has charge of the place; whereas it would be 25 miles removed from the head-quarters of the Tahsildar, should it be attached to the Adoni Taluq.

(2.) That the river being fordable nearly all the year round, no inconvenience is felt by the villagers in getting to the other side of the river.

4. The Board admit that there is great force in the objections urged by Mr. Master; but they are of opinion that they are outweighed by the expediency of making the boundary well defined.

5. They, therefore, recommend Government to sanction the transfer of the village to Adoni. A draft Notification is submitted for publication.
