PROCEEDINGS OF THE BOARD OF REVENUE.

Dated 2nd August 1873.

Read the following

No. 363.

From

W. M. Carnish Esq. & Co. S.
Sanitary Commissioner in charge of the
Revenue Office.

To

The Secretary to the Board of Revenue
Madras.

Sir,

I have the honor to inform you
that the compiling of the comparative
tabulation has been completed and the
services of 59 out of 100 have been sanctioned
for the purpose dispensed with on the
15th & 16th Instant, and also a few subse-
-quently. Some have been retained to com-
-plete the totals of a few districts and
they will be dispensed with by the end
of the month.

The General tables which are to ac-
-company the Report now remain to be pre-
-pared. This work has also been commenced
and some progress also made. In these ta-
-bles there will be a good deal of work
in connection with calculating percentages
&c. To perform this work the services
of some intelligent clerks will be needed.
In para 8 of my letter to the Board dated
18th March 1873, I mentioned that the work
can

can be efficiently & expeditiously performed by the supervisors, and the number and pay of such persons that may be retained would be reported separately. I have therefore the honor to request the Board to obtain the sanction of Govt. for the retention of the Establishment clerks at Rs 95 = 245 noted in the margin till the 1 " at " 30 = 30 end of October (this includes what " " " 25 = 275 has been already sanctioned to 19 clerks be retained till that time) subject to reduction as the work progresses.

3 I have to request also the instructions of the Board in regard to the disposal of the schedules after the office may be closed, whether (1) they are to be returned to the Districts (2) sent to the Board's office (3) or destroyed & sold as waste paper. There is apparently no object in keeping the schedules after the report is completed.

4 The Board are aware that a number of shelves (about 123) were purchased for the accommodation of the schedules and that extra furniture for the second office was procured. Some of the desks have been sold by Messrs. H. & Co. & on account of the Census Office, and others will shortly be sent for sale, unless the Board desire their retention. The shelves can be disposed of when a decision has been come to.

I have &c
Signed / W. Mc Cormick H. B. Esq.
Secretary Commissioner
in charge of the Census Office
Madras.

The sanction of Government will be requested for the establishment proposed in para 2.

The Board are of opinion that when done with the schedules should be torn up and sold as waste paper, and the shelves sold by auction.
