Proceedings of the Madras Government, Revenue Department, 22nd January 1873.

No. 169. Read the following Endorsement of the Acting Sub-Secretary to the Board of Revenue, dated Madras, 17th January 1873, Miscellaneous No. 271.

Read the following letter from the Collector of Cuddapah, to the Secretary to the Board of Revenue, dated Cuddapah, 8th January 1873, No. 1.

I HAVE the honour to forward for the orders of Government the accompanying application for six months' leave on Medical Certificate under Section 3, Supplement F, of the Civil Leave Code, from Tanjore Krishna Ráo, General Deputy-Collector and Magistrate of this district.

2. You will observe that the leave is to date from the 4th January. T. Krishna Ráo has not rejoined the district since he went to Madras for the Christmas holidays, and the district has thus been very suddenly left short-handed at a time when the annual settlement is about to commence and the services of every available officer are required. There appears to be nothing of an emergent nature in the enclosed Medical Statement of the case and Certificate to justify T. Krishna Ráo thus absenting himself from his duties without leave.

SUBMITTED, through the Accountant-General, for the favourable consideration of Government.

2. The attention of Government is called to paragraph 2 of the Collector's letter. The Board presume that the Deputy-Collector had the Collector's permission to proceed to Madras during the holidays.

(By Order.)

(Signed) H. E. STOKES,
Acting Sub-Secretary.

No. 15.

ELIGIBLE to leave for six months on Medical Certificate under Sections 3 and 4 of Supplement F, of the Civil Leave Code.

2. It is pointed out that while T. Krishna Ráo appears, from the application, to be at the Presidency, the Medical Certificate submitted is from the Surgeon in Medical charge of the Guindy Jail and not from a Presidency Surgeon as required by Rule 1 (*b*), Section 15 (*b*), of the above Supplement.

Officiating Deputy-Accountant-General.

No. 170. ORDER THEREON, 22nd January 1873, No. 85.

Miscellaneous.

IT appears here that the General Deputy-Collector, Tanjore Krishna Ráo, while absent at Madras for the Christmas holidays (whether with or without the Collector's permission appears doubtful), applied, through the head of his district, for six months' leave on 2nd January,

instant, enclosing a Medical Statement of his case and a Certificate, both of the same date as his application.

2. The Statement, it is observed, is signed by the Hospital Assistant of the Guindy Jail, and the Certificate by Surgeon Kearney, who lives at St. Thomas's Mount, but is in Medical charge of the Guindy Jail. Meanwhile, the Deputy-Collector resides at Mylapore, a sub-division of the Town of Madras, and the Accountant-General rightly points out that the Rules in such cases require the Certificate to be granted by a Presidency Surgeon, *i.e.*, some member of the public Medical Staff at the Presidency.

3. The Deputy-Collector will be informed that the Government must refuse him his leave till the application comes before them in strict conformity with the Standing Orders. They resolve at the same time to request the Inspector-General, Indian Medical Department, to satisfy himself that there has been no irregularity on the part of the Medical Officers concerned. Surgeon Kearney who grants the Certificate has merely countersigned the Statement of the case which is signed by the Hospital Assistant. It would, therefore, appear that the Deputy-Collector had been under treatment by the subordinate only. It should be ascertained whether the latter had any correspondence with the Deputy-Collector's Medical Attendant at Cuddapah; if not, it should be stated whether he was justified in recommending his patient for leave of absence in a case of this nature after so limited a period of observation, and whether Surgeon Kearney was in any way justified in endorsing the recommendation.

Secretary to Government.

Read Rockets from the Bd of Rev and Accts Genl, forwarding letter from Coll[r] of Cuddapah (letter entered No 1 of 8th Jany 70)

It appears here that the General Dy Coll[r], Tanjore Krishna Rão, while absent at Madras for the Xmas holidays (whether with or without the Coll[r]'s permission appears doubtful) applied through the Head of his district for 6 months leave on 2nd January instant, enclosing a Medical Statement of his case & a Certificate, both of the same date as his application.

2. The Statement, it is observed, is dated by the Hospital Apothy of the Gundy Jail & the Certificate by Surgeon Kearney, who lives at St Thomas' Mount but is in Medical Charge of the Gundy Jail. Meanwhile the Dy Coll[r] resides at Mylapore, a subdivision of the town of Madras, and the Accts Genl rightly points out that the Rules in such Cases require the certificate to be granted by a Presidency Surgeon, i.e. some member of the public Medical Staff at the Presidency

3. The Dy Coll[r] will be informed that the Govt must refuse him his leave till his application comes before them in such

conformity with the
standing Orders. They could not at
the same time to request the Inspector
Genl F. M. D. to satisfy himself that
there has been no irregularity on the part
of the Medical Officers concerned. Surgeon
Kearney who grants the Certificate has
merely countersigned the Statement of the
case which is signed by the Hospital Asst.
It will therefore appear that the Dft Coll.
had been under the treatment by the
Native subordinate only. It will be ascer-

respondence with the Dft Collis Medical
Attendant at Juddapah; if not, it
will be stated whether he was justified
