Forwarding a Statement of fresh charges and alterations on account of Salaries Establishment and contingencies sanctioned by the Madras Govt within the amount of the Budget grants during the month of June 1873

Abstract
G.O. 19 Aug 1873 No 842

Remarks by Govt. to be printed in the last column of the Statement of charges for June 1873.

Item 1. Necessary to meet the urgent demand for drinking water at the several salt Stations in the Settlere district. Salt-rassums for the maintenance of 7 water-pandals in this district were hitherto paid from the revenues, to the aggregate amount of Rs 184-15-" per annum, but owing to the inconvenient location of these water-pandals, and the refusal of the parties concerned to transfer them to the immediate neighbourhood of the pans, the rassums have recently been reasoned, as being of no benefit to the salt traders, for whose convenience they were established."

Item 2. The establishment maintained at each of the two Abkari Distilleries under the excise system, in the North Arcot district, hitherto cost Rs 99-10-0 per mensem, as shown below -

5 Constables ——— 43-10-8
Ten per cent for supervision ——— 4-0-0
47-10-8
1 Gnager and Attendr 52-0-0
99-10-8

The present charge is Rs 105-0-8; the excess Rs 5-6 being the Provisionary charge for the Police Constabulary under Financial Proceedings of the Government of India 23d January 1873 No. 592. The contract entered into with the Abkari contractors does not however permit of more than 100 Rs per mensem being charged to them on account of establishment at each Distillery, i.e. the additional charge viz Rs 5-0-8 for each Distillery, or Rs 10-1-4 for the two Distilleries, therefore falls on the Government.

Mem 3. Necessary, as the duties of this Vendor have been found to be more onerous and require the maintenance of a larger establishment than was anticipated. Copy of the Proceedings of Government 14th June 1873 No. 609, embodying the Collector's report

report on the subject, is herewith forwarded.

Remarks by Govt
