Proceedings of the Madras Government, Revenue Department,
19th August 1873.

No. 149. Read the following Proceedings of the Board of Revenue, dated 11th August 1873, No. 1,546 :—

Read again G. O., dated 7th April 1873, No. 397, Revenue Department, recorded in Board's Proceedings, dated 30th April 1873, No. 689.

Read also the following letters :—

From W. R. ROBERTSON, Esq., Superintendent of Government Farms, to W. ROBINSON, Esq., C.S.I., Second Member of the Board of Revenue, dated 21st March and 10th April.

From Dr. H. GUNDERT, to W. ROBINSON, Esq., C.S.I., Second Member of the Board of Revenue, dated 8th July, with enclosures.

THE Board resolve to submit the above correspondence to Government with a strong recommendation that they be empowered to engage Herr Schiffmayer, the young man to whose qualifications the testimonials enclosed in the letter from Dr. Gundert refer.

2. The Assistant to the Superintendent of Farms is not yet engaged, and the services of a thoroughly competent man in England are difficult to secure. There are ample funds for the entertainment of one or more Assistants available, and the Board think that a trial of this young man is especially desirable owing to the high reputation for scientific attainment and practical efficiency which Graduates of German Agricultural Colleges enjoy in America and elsewhere.

3. They are sanguine that the extension of the system of Model Farms can be provided for, but to this end trained Superintendents are of the first necessity, and they would regret to lose any opportunity of arranging that a man whose qualifications promise so well should begin as soon as possible to gain the local experience requisite to his success in a new country.

4. The terms which the Board think might be offered are—Rupees 150 per mensem, increasing, if the Board recommend the increase, by Rupees 50 per mensem each year to Rupees 300 per mensem. Passage out to be paid second class, and passage home should the candidate's health fail or should the Board wish to terminate the engagement.

No. 150. ORDER THEREON, 19th August 1873, No. 874.

Miscellaneous.

THE Government desire to be informed in what capacity the Board purpose employing Mr. Schiffmayer, and whether that gentleman's knowledge of English is likely to be sufficient to enable him to discharge the duties entrusted to him.
