Proceedings of the Madras Government, Revenue Department,
22*nd August* 1873.

No. 185. Read the following Proceedings of the Board of Revenue, dated 5th August 1873, Miscellaneous No. 4,912 :—

Read the following letter from J. R. DANIEL, Esq., Acting Collector of Vizagapatam, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 8th July 1873, No. 1,014.

I HAVE the honour to inform you that the Ranee of the Bobbili Zemindari in this district requested Mr. Melville, while he was here, to select a proper person to be appointed tutor to her adopted son.

2. Mr. Melville selected one G. Singara Charry, Assistant Master of the Government Normal School, in charge of the Practising School here, as the person suitable for the post, and offered him the appointment. Singara Charry accepted the offer on the following conditions :—

1*st.*—That his salary should be Rs. 150 per mensem, his present income amounting to more than Rs. 100,—Rs. 70 as schoolmaster, and a monthly allowance of more than Rs. 30 as Curator of the District Book Depôt.

2*nd.*—That his service during his stay with the minor should be allowed to reckon towards pension, his present service under Government in the Educational Department being nearly twelve years.

3. The Ranee of Bobbili agreed to the first condition, and expressed her anxiety to secure his services at an early date. As regards the second condition, I beg to state that Singara Charry is willing to forego 6 per cent. of his salary as the servants under Court of Wards do, in case his request is complied with.

Although Government* have specially exempted the estate of Bobbili from being placed under the management of the Court of Wards, the Ranee was directed to conform to the views of the Collector and the Government, with reference to the education of the minor, it is necessary that he should have a competent teacher, and it would be impossible to obtain one, if, by accepting the post, he were compelled to lose his service under Government.

* G. O., No. 1,432, dated 9th September 1870.

4. Singara Charry has passed the First Arts Examination, and always been considered an efficient teacher. The selection made by Mr. Melville of Singara Charry is also supported by Mr. Bowers, the Inspector of Schools.

5. I would, therefore, recommend that he be appointed as tutor, and that his services, during the time he holds the post, be allowed to count for pension.

THE Board resolve to request Government to allow Singara Charry to take up the position of tutor to the adopted son of the Ranee of Bobbili without forfeiting his claims to leave, allowances, and pension as a Government official.

2. The Collector will find from Section 35 of the Civil Pension Code that the deduction on account of leave, allowances, and pension claims is not 6 per cent. but 20 per cent. Hence, if Singara Charry is to have the pay he demands, viz., Rupees 150 *minus* 6 per cent., or Rupees 141, the Ranee will have to pay him Rupees 176. Farther negotiations are necessary.
