From

Sanitary Commissioner,
in charge of the Census Office.

To

The Secretary to the
Board of Revenue.

Sir,

I have the honor to report for the information of the Board of Revenue and Government that I purpose proceeding to Bangalore on the 2nd instant, Government having been pleased to sanction my request that I might be permitted to reside at that station instead of Malabar during July, August and September, the months I expect to be engaged in the preparation of the Census report.

2. The work is now so far advanced that I have ample materials for the commencement of the report and to finish it by the end of September, I must begin

begin at once. I had estimated that the whole of the totalling and posting in the Office would have been finished by this date and that I could have broken up the establishment before leaving Madras but the Board will observe by my letter of 16th June 1873, no. 350, that all the district totals will not be ready before the middle of the month. Mr. Kaliana-sondrum Chetty will continue until the end of this month to superintend the office work in Madras and, if necessary, I shall myself return for a few days to make arrangements for the establishment to be maintained after the totalling is finished.

3. On the subject of the establishment to be maintained after July, I shall address you a separate communication in the course of a few days.
