Proceedings of the Madras Government, Revenue Department,
27th August 1873.

No. 230. Read the following Proceedings of the Board of Revenue, dated 7th July 1873, No. 1,219:—

Read the following letter from the Hon. V. RAMIENGAR, C.S.I., Superintendent of Stamps, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madras, 21st April 1873, No. 481:—

In acknowledging the receipt of the Proceedings of the Madras Government, dated 1st ultimo, No. 271, communicated to me on the 6th idem, I have the honour to state that, under the authority conveyed in G. O., dated 23rd August 1872, No. 1,249, all *converted* adhesive stamps for Court Fees have already been recalled from twenty out of the twenty-one districts and destroyed from time to time. The only stamps of this description now remaining in store are those specified in the margin. They have been received from South Canara, and will be forwarded to the Board in the usual course. Of the new Court Fee labels, I have a sufficient stock of all denominations, except 1 and 8 Annas, of which the balance on hand is equal to twelve and eighteen months' consumption, respectively, but the stock will be replenished by timely indents.

2. The Government of India wish to be informed of the date on which it is anticipated that adhesive Court Fees Stamps will be exclusively used; that is, in other words, in what time the present stock of bicolour stamped paper will be expended. The Board will judge for themselves on this point from the accompanying statement, which shows the stock of these impressed stamps both in the districts and in this office. It will be seen that, with the exception of a few of the smaller denominations, the stock in hand is not likely to be exhausted within any moderate time, if it must be exhausted, only by being sold. In some districts the balance in hand is very considerable; and yet in these the new adhesive labels are indented for without any reference to the stock of old stamps, and in a way which indicates no effort or desire to clear it off. I would, therefore, suggest that the attention of the Collectors be pointedly called to the 4th paragraph of the letter from the Government of India, and that they be requested not to indent for any values of the new labels, until their stock of the old is so reduced in quantity as to require to be supplemented by the former, and not to issue any of the new stamps for sale, until the old have been entirely exhausted. In spite of every such effort, however, to expend, as fast as possible, the present stock of bicolour stamped paper, a large quantity of many of the values (of the higher values in particular) must remain in hand for a long time to come, unless the Government determine hereafter to get rid of them altogether by destroying them, and thus bringing about the speedy and complete introduction of the adhesive labels.

Enclosure No. 1.—Statement.

Proceedings of the Madras Government, Revenue Department,
27th August 1873.

SUBMITTED to Government, with reference to their Order, dated 1st March 1873, No. 271.

2. It is difficult to state within what period the stock of bicoloured stamps will be exhausted, so as to admit of the exclusive use of the new Court Fees labels. There are still [illegible],360 stamps of the value of 104 lakhs of rupees in stock, and, looking to the sales of the past year, during which impressed stamps alone were chiefly sold, it will be 227 years before the last stamp is sold. A statement, showing the period within which stamps of each value are likely to be sold, is annexed.

3. The Stamp Superintendent states that the indents received from districts do not indicate sufficient efforts on the part of Collectors to clear off the old stock on hand. The Board request the instructions of Government whether orders can be issued to Collectors not to sell Court Fee adhesive labels so long as the impressed stamps of the required values are available for sale.

No. 231. ORDER THEREON, 27th August 1873, No. 914.

Separate Revenue, No. 13.
Stamps.

PENDING further instructions from the Government of India, to whom the foregoing Proceedings and accompanying statements will be forwarded, the Government resolve to authorize the Board of Revenue to issue to Collectors such instructions as shall secure their issuing impressed in place of adhesive stamps in all cases where the use of the former is permissible.

(True Extract.)

(Signed) R. A. DALYELL,
Acting Secretary to Government.

To the Board of Revenue.

on No 2128.

In para 5 of their letter of 13th February last G.O. 271 dated 1st March 1873 the Govt of India desired to be informed of the date on which it is anticipated that Adhesive Court Fee Stamps will be exclusively used.

2. The Superintendent of Stamps was directed to report on this through the Board. He has now submitted a statement showing the stock of Impressed Court Fee Stamps in the Districts and in his Office on the 1st of March last and the Board send

send with this another showing the period within which stamps of each value are likely to be sold."

3. In this Secretariat the Board say that looking to the sales of the past year "it will be 227 years before the last issued stamps are sold" and they desire to know whether as suggested by the Superintendent Collns should be directed to use up the stock of new pressed stamps before indenting for Abkarie ones. It seems to me they evidently for the better irrespective of the supply of the former and whereas the Govt of India in para 3 of the letter above referred to pointed out "the necessity for gradually expending the present stock of bi-coloured stamped paper."

4. It is submitted that in no other way can the stock in no other way can be expended and that ever be expended and that such orders should therefore be issued pending further instructions from the Govt of India, to whom it is presumed should be submitted the Board's Pro and the Statements with a letter pointing out that there are 165 sorts of stamped papers in stock numbering 15,48,360 papers valued at Rs 104.69,640 and that within five years will be expended 56 sorts papers
