THE foregoing replies to Board's Proceedings, dated 21st May 1872, No. 3,681, will be submitted to Government, with reference to their Order, dated 18th May 1872, No. 55.

2. The Collectors of Ganjam, Godavery, Nellore, Cuddapah, Bellary, Coimbatore, South Canara, and Malabar, and the Commissioner of Nilgiris, report that there are no Pattans of the Trans-Indus and Hazara tribes serving in their districts.

3. The Collector of Salem states that though there are many in his district calling themselves Pattans, they have nothing to do with the Trans-Indus or Hazara tribes. The Collector of Tinnevelly observes that the Pattans of his district having settled in India from generations past are quite ignorant of the tribes to which their forefathers belonged.

4. The annexed, therefore, is a return showing the numbers, tribes, and sections of the Pattans from within and beyond the Trans-Indus and Hazara frontiers, serving in the other districts.

5. The Collector of Tanjore having submitted a list of the Pattan Military Pensioners and Constables in his district, these, together with the eleven Constables given in the lists received from South Arcot and Madura, have been excluded from the present return, with reference to G. O., dated 28th June 1872, No. 737. The return from the Kistna also shows that some Constables are included in it, but their exact number is not given.

6. It will be seen from the annexed return that only 41 of the 75 men in the whole Presidency are able to state the tribes and sections from which they are descended. All others having lost sight of their relation to the tribes to which they originally belonged, it is not possible to ascertain the required particulars in their cases.

Return showing the Numbers, Tribes, and Sections of all Pattans from within and beyond the Trans-Indus and Hazara frontier serving in the Revenue Department of the Madras Presidency.
