Proceedings of the Madras Government, Revenue Department,
27th August 1873.

No. 239. Read the following Proceedings of the Board of Revenue, dated 18th June 1873, No. 1,049 :—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to J. CROSE, Esq., Secretary to the Board of Revenue, dated Ramandroog, 23rd May 1873, No. 739 :—

The Reddy of the village of Bellakoonsi, in the Huvinhadgally Taluq has no service inam land. He receives fees in kind to the amount only of about 20 Rupees a year. This being insufficient he resigned his post, and no one in the village is willing to take it up on this very small remuneration.

2. The village is of some importance, being situated on the high road leading to Dharwar. It has a Travellers' Bungalow frequented by European gentlemen the presence of a Village Munsif is, therefore, necessary.

3. The Reddy now says that if out of the Inam of the village, which is about Rupees 460, a sum of Rupees 24 a year is allowed to him he will take up the appointment.

4. As there is no inam attached to the office, and as the fees in kind, even if regularly paid, do not form an adequate remuneration, I beg to recommend that a remission of Rupees 24 a year may be allowed to the Reddy.

5. I have the honour to request the sanction of the Board to this arrangement.

[illegible] for the orders of Government.

2. The Board think that in this and in all similar cases the Board might be empowered to make such remission on the assessment payable by a local officer as shall give him something like the remuneration he will enjoy hereafter when the Village Service Act organizes the village establishments of the district. The progress of settlement and consequent reorganization under the Village Service Act is so slow that an interim adjustment of this kind is in many instances urgently needed.

No. 240. ORDER THEREON, 27th August 1873, No. 919.

Miscellaneous.

THE Governor in Council sanctions the remission of Rs. 12 per annum from the Reddy's putta, leaving him to collect the fees, as hitherto, in addition, as it is undesirable that the usage in this respect should be allowed to fall into desuetude.

2. The Board are in error in supposing that the revision of the Village Establishments must necessarily be deferred until the revision of the assessment has been effected. As directed in paragraphs 13 and 14 of the G. O., dated 28th November 1865, No. 2,946, the Board should make proposals for the improvement of the Village Service in any district in which it may be needed.
