PROCEEDINGS OF THE BOARD OF REVENUE

24th 10th May 1875

Read the following

W. A. Foster, Esq.
Deputy Collector

J. Groves Esq.,
Secretary to the
Board of Revenue, Madras.

I have the honor to forward copy of an objection statement received from the Accountant General, in which he disallows the pay (Rs. 15) of a temporary clerk of my office Mr. Vankatadri for February 1873, as he considers that he (Vankatadri) was not entitled to the privilege leave of one month, which I have granted him, because he absented himself without leave on the 4th and 5th January 1873. I think that the Accountant General is right, but, when I ordered the pay of the Clerk to be deducted for the 2 days he overstayed the Christmas holidays, under circumstances, however unavoidable, I intended that the deduction

*Proceedings of the Madras Government, Financial Department,
4th June 1873.*

No. 15. Read the following letter from G. D. LEMAN, Esq., President of the Municipal Commission, Guntur, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Masulipatam, 14th March 1873, No. 375:—

I have the honour to submit the Budget-Estimates of the Guntur Municipality for 1873-74:—

1. *Revenue*.—It is expected this year will open with a balance of Rupees 12,000; but the probable expenditure of the current year deducted from the probable receipts will produce the larger balance of Rupees 13,160.* It is proposed to transfer Rupees 1,000, the amount now in deposit in the Guntur Bank belonging to the dispensary, to the General Funds of the Municipality, as the Commissioners have resolved to lay it out in building quarters for a Hospital Assistant and a cottage for a lying-in ward.

2. *It has been proposed to take over the endowment and management of Mr. Wick's Choultry, and an application to that effect has been separately submitted.*

3. *The House-tax will be revised shortly, and the expected increase of revenue from this source is taken into account.*

4. *Expenditure*.—The several items of expenditure are as follow:—

Grant I.	Rupees 15,556
.. II.	2,752
.. III.	10,000
.. IV.	1,994
.. V.	2,138
Total	32,586

5. *Grant I.*—It is proposed to build separate school-rooms† for Mahomedans, Hindus, and other castes, new quarters‡ for a Hospital Assistant, and a cottage§ for a lying-in ward, and to purchase ground for and enclose three|| separate cemeteries for Mahomedans, Hindus, and goldsmiths. These projects are estimated to cost Rupees 12,840, and an allotment of Rupees 9,500 is made for the purpose.

† Rupees 6,000
.. 2,600
.. 1,180
.. 3,060
12,840

6. Rupees 400 are put down for tools and plant and contingencies. One per cent. on the estimated expenditure on "New Works" and "Repairs," Rupees 144, ought to be sufficient for tools and plant, to which, adding Rupees 100, which seems ample for contingencies, a saving of Rupees 150 may be effected in the total expenditure.

7. *Grant III.*—The Rupees 6,000, provided in this year's budget for the Red and Black Tanks projects, have not been fully utilized owing to the heavy rains that fell preventing the execution of work in them. No provision has been made for the improvement of these works next year. A calingulah is very much wanted to prevent another accident by the bursting of the Black-Tank bund, which has now burst three times within the last ten years.

8. The other grants call for no remarks.
