Read the f[illegible]g letters:—

No. 63. From Lieutenant W. H[illegible]KER, R.E., for Consulting Engineer for Railways, to Colonel G.[illegible]LKER, R.E., Secretary to Government, Public Works Depa[illegible]dated Madras, 6th October 1873, No. 531.

I HAVE the honour to submit a s[illegible]howing claims against Government Departments by the Madras Railwa[illegible] in their capacity as carriers, for charges incurred by them prior to th[illegible]ne 1873 and remaining unadjusted on the 1st October 1873.

2. This statement was due on 1st [illegible]nd should have shown unadjusted items on the 31st July, or one month after the close of the half-year, as laid down in the Order of Government, dated 26th September 1870, No. 2,322. The Agent has been repeatedly asked to send it, bu[illegible] has only now been received in this office, the result being that in the half-yearly Revenue Accounts a sum of Rupees 5,495-9-0 is shown as outstandi[illegible]gs against Government, whereas had the statement been submitted at the proper time the attention of the departments concerned would have been called to the matter, and there is every reason to believe that the whole amount might have been adjusted before the final closing of the Revenue Accounts.
