Read the following papers :—

Proceedings of the Madras Government, dated 17th December 1872, No. 1,686, Revenue Department.

Proceedings of the Madras Government, dated 19th December 1872, No. 1,699, Revenue Department :—

From F. LUSHINGTON, Esq., Accountant-General, Madras, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Fort St. George, 3rd June 1873, No. 1,848.

With reference to paragraph 14 of the Proceedings of Government in the Revenue Department, No. 1,699, dated the 19th December last, I have the honour to state that the Government of India have raised the allotment under Refunds and Stamps by Rupees 18,000 and Rupees 48,000, and reduced that under Excise, Assessed Taxes, and Salt by Rupees 200, Rupees 20,000, and Rupees 2,00,000, respectively.

2. In the margin is given an abstract of the items making up the revised grants sanctioned under the first and second heads. The retrenchment in the third is in the provision for the purchase and manufacture of Arrack, while under the remaining two it has been made in the aggregate.

3. In respect to Salt, however, it must be noted that the Government of India have repeatedly said "that in a manufacturing department like this the expenditure should go on as is required, and should never be restricted to what has been provided."

4. The amount sanctioned for Land-revenue Charges is Rs. 32,21,300, and is made up as follows :—

	Rs.
As per paragraph 4 of G. O., No. 1,699, 19th December 1872 ...	38,23,400

		1,59,300
Sanctioned Grant ..		32,21,300

5. From the accompanying Memorandum it will be seen that the present cost of the Huzur and Taluq Establishments in the districts is Rupees 6,91,092 and Rupees 14,64,516, respectively, or Rupees 5,592 in excess of the sums included in the budget. This excess may be held available to meet any insufficiency in the provision for Process Service charges, which amounted to upwards of Rupees 43,000 in 1872-73.

6. Under Customs and minor departments no alterations have been made; but under Administration a sum of Rupees 8,000 has been deducted in the gross, as savings likely to arise by absence of Members and others on leave to Europe.

7. I take this opportunity to state that, as the charges connected with Cantonment Magistrates and Town Munsifs are embodied in the estimates furnished by the High Court, the information heretofore given regarding them in the Board's Proceedings may be discontinued for the future.

3. The accompanying statement shows the distribution of allotments under each head for each district for 1873-74, and these figures will be adopted by Collectors in their Progress Reports.

4. With reference to the reduction made by the Government of India in the amount of grant under "Salt," the attention of all Collectors is directed to paragraph 3 of the Accountant-General's letter recorded at the head of these Proceedings, from which they will observe that supplemental grants will be made, if necessary, for increased manufacture to replenish the low stock of salt in the districts.

5. The attention of Government will be drawn to the very inadequate provision made for charges under "Assessed Taxes." In Madras alone the amount to be disbursed to establishments during the current year will be above Rupees 3,000, as noted in the margin. A sum (about Rupees 2,000) has been incurred in the districts where under the Board's Proceedings, dated 4th April 1873, No. 524, the establishments were retained till the 31st May last. Sanction, therefore, will have to be accorded for the excess of 3,000 Rupees over the Budget grant. The whole amount of Rupees 2,000, it will be observed, is allotted to the Madras District alone.
