Proceedings of the Madras Government, Revenue Department,
24th January 1873.

No. 192. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 16th December 1872, Miscellaneous No. 8,314 :—

I AM directed by the Board to Government to grant their Registrar, Mr. Haughton, a personal allowance of 100 a month during the remainder of his career in this Office in recognition of his long service, tried ability, and signal success in a most onerous situation.

2. Mr. Haughton has been 30 years in the service of Government and 11½ in his present appointment.

3. The work of the Revenue Board has increased enormously since he became their Registrar, but he has been fully equal to the growing responsibility. Though working at high pressure the Current Department is as prompt and correct as it ever was.

4. Without entering into details, the Board are confident that Government will recognize the importance of the work done in their Office, and the urgent necessity that the Manager should be an officer of long experience and peculiar skill.

5. A similar application was laid before Government in 1868 and again in 1869 and was unsuccessful, but renewed attention has been drawn to the subject by the following circumstances :—In ing arrangements for filling up the place of the First Assistant, absent on leave was considered, on the one hand, that Mr. Haughton had the best claim to promotion, and, on the other hand, that he could not be withdrawn from the office Registrar without grave inconvenience to the Board, and considerable obst on to public business. It was decided, therefore, that Mr. Haughton should not e appointed to act as First Assistant, but it became obvious that it would be a ct of the barest justice to endeavour to obtain for him a sufficient remuneratio the appointment for which he is so fit that the interests of Government requ he should retain it until the end of his service.

6. I am to submit a letter addresse o me by Mr. Haughton on this subject. It shows that there is ample reas granting the allowance proposed by the Board, whether the peculiar imp of the office itself is considered, or the salary paid for similar work elsewhere.

No. 193. ORDER THEREON, January 1873, No. 96.

THE Board's recommendation is approved by Government, and will be forwarded to the Government of India for sanction.

2. Mr Haughton has been 30 years in the Service of Government

Mr Haughton is a very good man. The duties of Registrar are under ordinary circumstances not difficult, but owing to the helplessness of the Mussulmans whose application to be posted to 1st Assts & to be passed by the Board affect has proved a complete failure — Mr Haughton has done a great deal of the 1st Asst's work, in putting papers into a precis &c —
